FULLERTON

Designing a City for the Future

GRADES 9–12 | TEAM OF 4 | BATTLE OF THE COUNTIES

YOUR CHALLENGE **Learn from Fullerton. Then design something that could make the city stronger for the future.**

BEFORE YOU BUILD: Talk to the NPCs → Visit city locations → Open the resources → Take notes

1 Build Your Vision
in Minecraft Education

Develop a proposal for Fullerton's future grounded in what you learned exploring the city.

- **4+ purposeful features** that work as one proposal
- Identify **where** it belongs, who it serves, and what it addresses
- Justify design and location with specific Fullerton learning
- Consider city systems, community priorities, history, or constraints

2 Add a Board
place 1+ near your build

Your Board must include:

- Project Name
- The Opportunity
- Our Proposal
- Who It Serves
- Why Fullerton

Need help? How to use Boards

3 Create an NPC
1+ character who explains your idea

- Give it a **name** and a **job** tied to your build
- Use dialogue to explain your idea and why it matters
- Add **1+ external link** that supports your idea

Need help? How to create an NPC

4 Record a Tour
a video walkthrough of your build

≤ 3 MIN | EVERY VOICE | MP4

- Show your build, Board, and NPC
- Name the need or opportunity
- Use Fullerton evidence + your external source to justify design and location
- Address **1+ tradeoff or constraint** and why Fullerton should seriously consider it

Screen recording: Windows / PC | Chromebook
Other recorders OK with teacher approval — export to MP4.

Fullerton City Design Rubric

LEVEL UP CIVICS

TEAM SCORE ____ / 16

CRITERIA	1 Emerging	2 Developing	3 Progressing	4 Excelling	PTS
Fullerton Challenge Need · place · impact	No clear need, opportunity, location, or intended impact.	General issue; purpose, location, or impact only partly developed.	Responds to a meaningful need or opportunity; shows where it belongs, who it serves, and how it helps Fullerton.	Deep understanding of Fullerton; a thoughtful, place-specific response with clear impact.	___ / 4
Evidence, Place & Tradeoffs Fullerton + credible source	Not grounded in Fullerton learning or outside evidence.	Limited reference to Fullerton, evidence, or constraints; connections underdeveloped.	Uses specific Fullerton learning + a **credible external source** to justify location and design, and considers a **tradeoff or constraint**.	Synthesizes evidence, perspectives, and city context to justify the location; weighs tradeoffs and competing priorities.	___ / 4
Design & Creativity Original · coherent · feasible	Incomplete or no coherent solution.	Some purposeful elements, but underdeveloped or not mutually supporting.	**4+ purposeful elements** forming an original, coherent, feasible proposal.	Original, detailed, and intentional; a compelling proposal that responds to Fullerton's context.	___ / 4
Communication & Team Voice Board · NPC · evidence · tour	Board, NPC, evidence, or tour missing. Participation unclear.	Some parts done; rationale, evidence, presentation, or team voice limited.	Concise Board, NPC offers a credible perspective + relevant source, tour explains design choices with **every voice**.	A persuasive civic proposal. Everyone contributes meaningfully, explaining impact, tradeoffs, and why Fullerton should act.	___ / 4

Level 3 = all requirements met. Level 4 = goes beyond.
